Our dearest supporters and friends:

We want to express how disheartened we are regarding the COVID-19 pandemic. It seems that we all have been impacted either by contracting the Coronavirus disease ourselves, know someone who has been infected or sadly, someone who has passed away. It has changed our way of life, from practicing social distancing to wearing protective gear while in public. This is our new normal.

We, the members of the Association for the Children of Regnier, Haiti, Inc. understand how hard these unprecedented times are.

Please know that you are an extension of the ACR Haiti Inc. family and our thoughts and prayers are with you and your loved ones. God will get us through this difficult time and the day will come when we will be able to live the lives we once knew.

BE SAFE. BE WELL. GOD BLESS.

Sincerely yours,

Maryse Cadet
